Purposing Hearts.....

COUNSELOR'S SCOOP

SMART CHOICES • OPTIONS • OPPORTUNITIES • PREPARATION

Is your child registered for the 2011-2012 school year? If the answer is yes, then we have an opportunity for you....

The time has come that many of you have been waiting for... your child is a rising senior or junior! This is an exciting time for you and your child; but it also can be a very hectic time without the proper planning. You and your child will be juggling academic course loads, sports games, church activities, community service projects and precious family time.

With this in mind, the OVCA Administrators, Counselor, and AP Coordinator would like to provide you with the **SCOOP** upon which you will build your 16 month journey.

We hope to see you and your child at this valuable information session. We are looking forward to another record setting year for college acceptances and scholarships.

If your child is not registered, it's not too late to participate. Register by Friday and gain admittance to this information session.
