3-15-12 Patriot Cafe News: "The Main Dish"

Partnerships

What a great time our Preschool kids had coming over to the cafeteria for "Kinder Days" Thanks to all the kids for participating and enjoying the café as they get ready for next year! They had an exciting time and were very well behaved- so proud of them growing up and doing so well.

If your student was given lunch through our cafeteria services, we would appreciate you following up as quickly as possible to clear any arrears (outstanding balances).

While we are accommodating to all, we also need to be mindful that God has given us responsibilities to care for our resources in a prompt manner.

Please make a note of this:

As we approach the middle of May we will not be able to honor any further charges- all daily orders will have to be paid in full upon ordering.
