

# THE PATRIOT REPORT

ISSUE 7      JANUARY 21, 2005

## HISTORY FAIR, 2005

History came alive at the 2005 History Fair! Former presidents, pilgrims and Indians, generals, authors, and pioneers from the past paid us a visit to tell us about their lives. We were also entertained by heroes from the present day: doctors, firemen, nurses, and police officers. Or maybe you were convinced to buy your next house in Brazil! We all learned something new, and most of all, had lots of fun. Thanks to students, parents, teachers, administration, and staff for your participation and support. This is one successful fair that will go down in history!

## TALK ABOUT THE "BIG BANG THEORY" BY MRS. HAENISCH

When the elements of percussion instruments and Midway Baptist Students are put together, watch out for the explosive reaction. Students who have chosen music as their elective this semester have had hands on experience in music. They have clapped, stomped and snapped and even bounced rhythms. They have taken the puzzle pieces of pitch, rhythm and dynamics and put them to-

gether to make a joyful noise to the Lord. Be on the watch for their next performance this month!

*Below: Mrs. Haenisch and her students practice for an upcoming performance.*

## THE CAMBODIA REPORT BY CALEB RHEAM

Thank you to all of the people who supported me and bought doughnuts to help me get to Cambodia (I know it was a terrible sacrifice). My whole outlook has changed because of that trip. I got to see things I have never seen or would never have seen. It was a very humbling experience for me and I realized how much I have. So anyway, thanks. I'll tell you

more about it in chapel!

"All of these kids were so happy and vibrant! When I got there all of them gave me a hug, and even though I had never met them before, they were telling me that they loved me. It was incredible!" - Caleb's Cambodia Journal
